

OUT OF CONTROL DOG POLICY
Approved NCA Board of Directors
November 11, 2023

At all NCA Events dogs must be kept under control to prevent harm to itself or others. It is the owner/handler's responsibility to ensure their dogs are under control for the duration of the event.

At NCA events dogs must be crated or leashed and collared at all times, except when the dogs are required to perform off leash. When dogs are leashed, the length of the leash must not exceed SIX (6) feet and the leash may NOT be a retractable leash.

Dogs should not be allowed to approach another dog without permission from the other dog's owner/handler.

Any dog that, in the opinion of the judges, event committee or designated safety officer representing the event, appears dangerous, shall be asked to leave the event promptly or be crated for the duration of the event and **is excused from further participation in the event**. Anyone who witnesses a dog appearing to be dangerous should bring their concerns to the judges, event committee or safety officer. Part of upholding good sportsmanship is to take action through the appropriate channels.

Examples of out of control behavior would include but is not limited to:

Aggressive vocalization such as barking and growling, or aggressive behavior toward any person or animal such as snapping, biting, lunging, charging, attacking or attempting to attack at any time while on the test grounds.

Owners and handlers are responsible for monitoring the well-being and safety of their dog(s). If left unattended the owner/handler must check on them frequently to ensure they are safe.

If the dog is excused from the test grounds for aggression, the automatic grievance policy of the NCA is enacted. If an injury **to dog or person** occurs, the AKC Rules Applying to Dog Shows Ch 11, section 15 goes into effect. (References, chapter 2, section 14 in both water and draft regulations)
